Grand Traverse Region Historical Photograph Collection

Collection identifier: 2015.12

Generated 2026-10-07 11:48 UTC from current catalog records.

About this collection

Description:

This collection contains a number of select images available within the archives of the Traverse Area District Library. The Traverse Area District Library treats these images as part of the public trust, and has made every effort to preserve the photographs. The people, time periods and subjects within this collection are highly diverse, given the nature of their inclusion into the Library's archives.

Object inventory

180 items. Includes records with and without media in this collection and its readable subcollections.
